HOUSTON, TX. — ProNet Group, a leader in forensic consulting services to the insurance, corporate risk management and legal industries for the past twenty (20) years, announces the addition of Erik Feller, CFEL, to the forensic fire investigation team.

“Erik has a solid reputation in the industry as a strong investigator who provides exemplary customer service” said Jane Heintz, President. “He has come up through the ranks of fire and law enforcement departments and has conducted over 500 fire O&C investigations. We look forward to showcasing Erik as one of our lead investigators throughout Texas, Louisiana, and Oklahoma”

Mr. Feller has over seventeen (17) years of fire industry experience. He has served as a lead fire origin & cause expert on structural fires (commercial, industrial, single family home and multi-unit residential), heavy equipment, oil field drilling rigs, automobiles, large commercial vehicles, and RV’s. Additionally, he has provided expert witness testimony and is court-certified as a fire origin & cause expert.

ProNet, founded in 1990, specializes in investigation and research on issues involving but not limited to; Structural failures/damages, Water intrusion origin and cause, Fire/Explosion origin and cause, Accident reconstruction, Vehicular failures/damages, Product liability, Industrial accidents, Catastrophic events, Contractor defaults, Electrical engineering investigations and Surety consulting.
