**PRONET GROUP ADDS FIRE O&C EXPERT IN ORLANDO OFFICE**  
**Marcel DeMuyneck (CFI, CFEI) has 25+ years of fire investigation experience**

For Immediate Release  
March 10, 2010

ORLANDO, FL. — ProNet Group, a leader in forensic consulting services to the insurance, corporate risk management and legal industries for the past twenty (20) years, announces the addition of Marcel DeMuyneck (C.F.I., CFEI, CHMM, CFPE, MBA).

“Marcel is a seasoned veteran in conducting fire investigations and brings with him a unique blend of investigative acumen, fire protection management experience with Fortune 500 company’s, CEO of a HAZMAT corporation, a fire fighter and inspector for municipalities, a Fire, Safety and Security Director for a foreign country, and perhaps most interesting – Professor of Fire Science for Florida and Michigan community colleges,” said Jane Heintz, President. “ProNet has sustained solid and continuous growth as an industry leader in professional engineering consulting services and we believe our clients will greatly benefit from Marcel’s expertise.”

Mr. DeMuyneck has nearly thirty (30) years of fire science and investigation experience. Additionally, he has been called upon for expert witness testimony and has been published on numerous occasions by leading industrial and government fire science and safety publications.

ProNet Group, founded in 1990, is headquartered in Houston, Texas (Sugar Land) with offices in Orlando, Tampa, Ft. Lauderdale (Sunrise), Dallas, and New Orleans.

ProNet specializes in investigation and research on issues involving but not limited to; Structural failures/damages, Water intrusion origin and cause, Fire/Explosion origin and cause, Accident reconstruction, Vehicular failures/damages, Product liability, Industrial accidents, Catastrophic events, Contractor defaults, Electrical engineering investigations and Surety consulting.
