ORLANDO, FL. — ProNet Group, a leader in forensic consulting services to the insurance, corporate risk management and legal industries for the past twenty (20) years, announces the addition of Ruben Gonzalez, P.E., to the electrical engineering team in Florida.

“We are pleased to have Ruben join our team in Florida,” said Jane Heintz, President. “Ruben brings over 30 years of electrical engineering experience as a Professional Engineer and Registered Electrical Contractor in Florida.”

Mr. Gonzalez has served as lead forensic investigator on many occasions and is experienced in working with attorneys and subrogation cases. His expertise ranges from electronic circuit design to evaluations of high-rise building electrical systems.

A partial list of areas of expertise that Mr. Gonzalez provides includes:

- Electrical Construction Defects
- Product Liability Analysis
- Electrical Equipment Failure
- Lightning Damage Analysis
- Electrocutation
- Electrical Contractor Investigations
- Workmanship Defect Analysis
- Subrogation Expertise
- Electrical Vehicle Evaluations
- Liability / Construction Evaluations
- Fire O&C Electrical Investigations
- High Voltage Failure Analysis
- HVAC Electrical /Mechanical Evaluations
- Computer Facility Security Investigations
- Industrial Electronics Equipment Evaluations
- Telecommunications System Analysis
- Fire and Burglar Alarm Installations
- Generator / Battery Backup Evaluations

“We have a long and successful record of providing unbiased, prompt, and thorough investigations and reports to our clients,” Heintz stated. “ProNet has maintained a solid presence throughout Florida and the U.S. Gulf Coast region for many years. Our continuous growth is a testament to the high level of professional service we offer our clients. With Ruben’s addition to our electrical engineering team, I am confident we will continue in the forefront as an industry leader in the forensic engineering field.”

ProNet, founded in 1990, is headquartered in Houston, Texas (Sugar Land) with offices in Dallas, Texas; New Orleans, Louisiana (Metairie); Tampa, Florida; Orlando, Florida and South Florida (Sunrise).
