HOUSTON, TX. — ProNet Group, a leader in forensic consulting services, announces the appointment of Shawn Shoop to the position of Vice President of Marketing & Business Development.

“We are excited that Shawn has joined our executive team here at ProNet,” said Jane Heintz, President. “Shawn brings a background of proven results and accomplishments of increasing market share, enhancing brand name recognition and overall business development planning and execution. We look forward to his contribution in leading ProNet to immediate and sustained growth while continuing to be the leader in providing forensic engineering and investigative services to insurance companies, law firms, corporations and government agencies.”

ProNet, founded in 1990, is headquartered in Houston, Texas (Sugar Land) with offices in Dallas, Texas; New Orleans, Louisiana (Metairie); Tampa, Florida; Orlando, Florida and South Florida (Sunrise).

ProNet specializes in investigation and research on issues involving but not limited to; Structural failures/damages, Fire/Explosion origin and cause, Accident reconstruction, Vehicular failures/damages, Product liability, Industrial accidents, Catastrophic events, Contractor defaults and Surety consulting. ProNet’s professional and accredited staff is frequently recognized for its contributions to Continuing Education programs, as well as seminars on a variety of claim-related topics.

“We have a long and successful record of providing unbiased, prompt, and thorough investigations and reports to our clients,” Heintz stated. “We are confident that Shawn will lead us in effectively marketing our services.”
