**PRONET GROUP OPENS REGIONAL OFFICE IN SOUTH FLORIDA**  
**Forensic Engineering and Investigative Services Leader Expands to Florida Gold Coast Region**

For Immediate Release  
August 20, 2008

HOUSTON, TX. — ProNet Group, a leader in forensic consulting services, announces the opening of its newest regional office, located in Sunrise, Fla.

“We have sustained continuous growth during our 18 years of existence, and are pleased that we are able to expand with a permanent presence in south Florida,” said Jane Heintz, President. “Our mission is to provide the very best in professional forensic engineering and investigative services to insurance companies, law firms, corporations and government agencies. The opening of this regional office will provide us with the opportunity to continue this mission with enhanced coverage in the area from Palm Beach to Miami.”

ProNet, founded in 1990, is headquartered in Houston, Texas (Sugar Land) with offices in Dallas, Texas; New Orleans, Louisiana (Metairie); Tampa, Florida; Orlando, Florida and South Florida (Sunrise).

ProNet specializes in investigation and research on issues involving but not limited to; Structural failures/damages, Water Intrusion origin and cause, Fire/Explosion origin and cause, Accident reconstruction, Vehicular failures/damages, Product liability, Industrial accidents, Catastrophic events, Contractor defaults and Surety consulting. ProNet’s professional and accredited staff is frequently recognized for its contributions to Continuing Education programs, as well as seminars on a variety of claim-related topics.

“We have a long and successful record of providing unbiased, prompt, and thorough investigations and reports to our clients,” Heintz stated. “ProNet has had a solid presence in south Florida for many years. Our growth is a testament to the high level of professional service we offer our clients, and we look forward to continuing this positive trend.”
